

KRIPPER CONFIDENTIALITY STATEMENT

This statement applies to the information **Ambionic B.V. ("Ambionic")** makes available through this password-protected Kripper webpage and in related discussions.

1. Purpose

Access is provided so that you can review Ambionic's Kripper compliant robotic gripper, give feedback or insights, and discuss possible applications, implementation, integration or collaboration relating to the gripper (the "Purpose").

2. What is confidential

The videos, images, demonstrations, technical and performance information and other non-public material on this webpage, together with anything Ambionic shares with you directly in connection with the Purpose, is **Confidential Information**. This also covers information that would reasonably be understood to be confidential from its nature or from the circumstances in which it is shared.

3. What we ask of you

By opening the page you agree to:

- use the Confidential Information only for the Purpose;
- not publish it or otherwise make it public, including on websites, social media, or in presentations or documents intended for a general audience; and
- pass on only the link and the password if you would like someone else to see it, so that they accept this Statement themselves when they open the page.

You are welcome to share the link with colleagues, or with contacts in your network who may have a relevant use case.

4. When these obligations do not apply

They do not apply to information that you can demonstrate was already public, was already lawfully known to you before Ambionic disclosed it, was lawfully received from another source without restriction, or was independently developed without use of Ambionic's Confidential Information.

5. Intellectual property

All intellectual property and other rights in Ambionic's technology and Confidential Information remain with Ambionic. Access does not grant any licence, ownership right or other right to use the technology beyond the Purpose.

6. No obligation to collaborate

Providing access does not oblige either you or Ambionic to enter into any collaboration. Any future development or commercial arrangement will be covered by a separate agreement.

7. Duration and applicable law

These obligations apply for three (3) years from the date you accept this Statement. Nothing here limits any protection that may separately apply to trade secrets. This Statement is governed by the laws of The Netherlands.

Acceptance

By entering your details and opening the page, you confirm that you have read and agree to this Statement.
